Our day went so perfectly. We couldn't have asked for more!

Everyone had an amazing day, they loved the venue and the food. And the venue couldn't have been better!

Thank you so much for your hard work and making the day go so seamlessly!

We had the most incredible wedding at Shottle Hall. We love that there are so many places that people can go within the house and grounds depending on what they feel they need.

Shottle Hall was fantastic and the food was incredible!

The Lounge was absolutely perfect for our ceremony. The Orangery was stunning and that starlit ceiling was so magical.

We felt extremely looked after through our wedding journey, and we were able to really relax and enjoy the day. We had a perfect day, we keep reliving everything, and are still on cloud 9.
